FDC - Free Data Capture Tool Crack Free Download For Windows

FDC - Free Data Capture Tool Product Key is a handy, free text capture, image capture and email archive software solution. It's packed with powerful features such as text filtering, extracting URLs from webpages, image converting, file compression and even more. Comprehensive text filtering is another useful tool. You can create regex expressions, create rule-based filtering, apply wildcards, and capture data with captions. FDC can capture images from webpages or dialog screens that you select by clicking on any image. Once you capture data, you can compose, convert, delete, email, etc. the data, and even use FDC as a data archive. FDC keeps a record of all your captured data, and you can access it via the built-in archive manager. After completing all you would like to do with captured data, you can save the captured data in any format you like. FDC can take all sorts of popular file formats such as PNG, GIF, and JPG. You can also save images as TIFF files or compress files with ZIP. Key Features of FDC: Text mining and filtering - FDC has a powerful text mining algorithm that understands regular expressions. You can further customize text mining rules for filtering text. Extracting URLs - FDC also has an advanced URL extractor that can capture webpage addresses by constructing regular expressions or appending to existing URLs. URLs are also extracted from dialogs and application user interfaces. Capturing images from webpages - FDC can capture images from any webpages that you select, which will save them in the clipboard. Images are automatically saved to the current working directory. You may also opt to save images to specified folders. Image processing - FDC has a powerful set of image processing tools. It can resize, crop, rotate, convert between JPEG and BMP, and change the image format. Image view - Images captured by FDC are in the form of thumbnails, making it easy for you to preview images. You may select between vertical and horizontal image presentation. You can also zoom in or out to get a better view. Image archive - FDC also has a built-in archive manager. All the images saved by FDC are automatically archived, making it easy to access them later. The archive manager also enables you to view images from an archive. Web page capturing - FDC can capture web pages easily, and you can choose between one or more web pages. The captured web pages are automatically saved
